

Fire & Specialty Equipment Co. *Since 1988*

Shepherdsville, Kentucky Michael J. Mudd, Sr. Owner (502) 957-2145

We are pleased to announce that effective October 11th, 2013, we are the authorized ***Seagrave Fire Apparatus, LLC (“Seagrave”)*** sales and service representative for the state of Kentucky and Southern Indiana, excluding the Northern Kentucky Counties of Boone, Kenton, and Campbell.

Seagrave has a long tradition of building heavy-duty custom and commercial fire apparatus since 1881. In addition, Seagrave has a full-service refurbishment, re-chassis and accident repair facility. At Fire & Specialty Equipment, we believe that Seagrave products are a perfect fit for us as we are for Seagrave. With our recently expanded service facility, expanded parts and equipment inventory and staff, we are looking forward to the new challenges ahead to provide a broader range of services to our expanding and loyal customer base.

Therefore, when in the need for a new custom or commercial fire apparatus or refurbishment, re-chassis or accident repair, please give us a call so we can discuss your needs. For those current Seagrave Fire Apparatus owners, we are ready and able to provide you with the Seagrave parts and/or service to keep your fleet in front line condition. We welcome your call or inquiries.
